

Curriculum Vitae

Personal Information:

Full name: Michaila-Akathi Pantelaiou
Date of Birth: 03/09/1997
Address: Heraklion, Crete
Mobile Phone: 6943107958
Email Address: mst1241@edu.materials.uoc.gr
akathi39@gmail.com

Education:

2015-Present: Undergraduate Studies
Dept. of Materials Science & Technology
University of Crete

Personal Skills :

Mother tongue: Greek
Other language: English
ECPE Proficiency- C2-University of Michigan
Digital skills: ECDL Core Certificate

Experience & Training:

Bachelor thesis:

- 07/2018-Present, FORTH, IESL , Ultrafast Laser Micro & Nano Processing Group, 'Room temperature synthesis and optical properties of 0D metal halide nanocrystals'

Internships:

- 09/2017-12/2017, Experimental High School of Heraklion, Teaching Physics
- 06/2017- 09/2017, FORTH, IESL , Ultrafast Laser Micro & Nano Processing Group, 'Ultrafast laser assisted synthesis of metallic nanoparticles for perovskite solar cells'

Conferences

- M.A. Pantelaiou, K. Brintakis, A.Kostopoulou, E. Stratakis, 'Room temperature synthesis and optical properties of 0D metal halide nanocrystals', Poster presentation, 21st Graduate Students Chemistry Conference, University of Crete, Crete, Heraklion, 15-17 May 2019

Additional Information:

- 09/05/2014, Euroscola Program
